Chapter 1: Strange Stuff...

Chapter 3: Meeting Cipher

A triangular object came towards Stan. The object looked familiar... like on a thing he used. "Of course!", Stan said. It was on the dollar bill that he used to pay for lunch. The triangular object came closer to Stan, making Stan fall over. "Names Cipher.", said the triangle. "Why do you have only one eye?", said Stan. But Cipher grew red, making Stan pass out. But it was a dream! "Or

was it", said a voice beside him. Stan looked to the side, seeing Cipher back in the flash.
